

Please DO NOT overturn the New Jersey Do Not Call List. It is the best law that has been put in place in New Jersey in a long time. Actually since Megan's Law. Our home is our castle, or at least it should be. The pain in the neck solitor calls that were coming into our home was an invasion of our privacy. We should have the right to block these calls. If we want to buy something, we will call whom we please. DO NOT make it legal for all those companies to INVADE OUR PRIVACY.
